Dear Chairman Feinberg --

I have additional information from my client, which is that the funds should be received by us later today or tomorrow. It appears, therefore, that the payments could be complete as early as mid-week. Of course, we will let everyone know as soon as we have received the funds.

Under the circumstances, we respectfully request that -- if possible -- the Tribunal issue the final award upon the receipt of funds from Storm rather than waiting until August 6, 2007. We expect that Telenor Mobile will not object to proceeding in that manner. It should also obviate the need for the transfer procedure described below.

Respectfully,

Pieter Van Tol

Dear Chairman Feinberg:

In order to insure Telenor Mobile's payment by wire transfer by a date certain in the United States, we will need to set up the transfer by mid-afternoon in Europe on the preceding business day. Accordingly, if Storm has not paid its invoices by the close of business in New York on Thursday, August 2, we respectfully request that we be provided by email with copies of those invoices and current wire instructions for you and Mr. Craig, so that payment can be arranged by Telenor Mobile on Friday, August 3, and thereby made in time to adhere to the schedule for issuance of the Final Award set out in your email of this morning. If Storm then pays on August 3, the last available date set by the Tribunal, Telenor Mobile will simply cancel the transfer.

Respectfully,

Peter S. O'Driscoll
Robert L. Sills
